DOCUMENT SECURITY INSPECTION ADVISORY

Security Operations & Link Verification Test
This document contains an external shortened URL reference.

1. Discovered Body Text Link:
   https://shorturl.at/CT7su

2. Clickable Interactive Link Annotation:

>> Click to Access Shortened Link: https://shorturl.at/CT7su <<

Security Analysis Context:
- URL shortening services (e.g., shorturl.at, bit.ly, tinyurl.com) mask the ultimate destination hostname and path.
- FileSanitizer analyzes the shortener host, evaluates TLS security, tracks redirect destinations, and checks threat intelligence feeds.

Primary Target Endpoint: https://shorturl.at/CT7su
